SUIT UNDER DEBTOR LAW

A Dynamite Blast Slurs Up Wholesale District.

SOUGHT FOR PARDON

Cannon's Friends Have Been Very Persistent in His Behalf—A Prisoner Makes Second Attempt to Escape Jail.

(Special to The Times-Dispatch.) NORFOLK, VA., September 12.—Because he was arrested here under Virginia's absconding debtor law, James H. Cannon, of Greensboro, N. C., has sued the Messick Grocery Company and Swink & Swink, attorneys, of Winston-Salem, N. C., and Norfolk for \$10,000. Prominent Norfolk attorneys sympathize with the man who came here on an excursion and say they hope Virginia's antiquated debt law providing imprisonment for debt will be wiped out by his suit.

A dynamite blast in the heart of the wholesale district, where the Southern Railway is cutting a new dock showed business houses with fragments of rock to-day. It was thought at first that a warehouseman in had fired a solid shot from her saluting battery. There were several narrow escapes from the flying

CLAREMONT CANNERY

Fifty Hands Putting Up Corn and Tomatoes.

BRIDGE SAVES TEN MILES

Little Girl Pulls a Kettle of Hot Grease Over on Herself—A New Immigration Society in Surry—A New Steamer Line.

(Special to The Times-Dispatch.) CLAREMONT, VA., September 12.—The Claremont cannery factory is running full blast, with fifty hands employed. Both corn and tomatoes are being canned. Russell's wagon factory, which is a new industry for Claremont, has begun to turn out one- and two-horse wagons at a rapid rate.

Now that the Southern Railway has widened the gauge of the Danville and Western Railway, the hope is inspired here that the company will do the same thing to the branch from Emporia to Claremont.

NEW STEAMER LINE.
The company that intends to start a boat line from Petersburg to Norfolk announces that they have bought a boat and are having it painted. The new steamer, little daughter of Mr. and Mrs. Ed. Wood, of Claremont, was severely burned on the arms Friday by pulling a kettle of hot grease off of the stove.

Mr. Lubbock Harrison, of Brandon, gave a swell party Friday night at his home in honor of his sister, Mrs. John Britton, of Richmond.

NEW BRIDGE.
At the last session of the County Court committees were appointed to view and select a site for a bridge across Chipmox Creek, connecting Surry and Prince George counties. As it is now, the people have to drive fifteen miles to reach Claremont. The new bridge will save nearly ten miles of this distance.

A new immigration society has been organized in this county with ten members, as follows: Messrs. J. E. Farrell, J. M. Maucha, and J. R. Hopper, Claremont; W. W. Baugh and A. A. Deck, Spring Grove; Willard Roberts, Ruffins; A. S. Edwards, Surry; A. R. Morris, Sexton; W. H. Pursell, Dendron; and J. W. Rogers, Garsley. The object of the society is to induce immigrants to come to Surry county and to sell all lands at a reasonable rate.

Cole performing the ceremony. The bride is an attractive young woman and comes from one of the best families of Fender county. FORTY-TWO SNAKES INSIDE A SNAKE

(Special to The Times-Dispatch.) FREDERICKSBURG, VA., Sept. 12.—Mr. Cleve Jordan, of Caroline county, killed a large snake at Skinner's Mill dam this week and upon being cut open forty-two snakes were found inside of the big snake, some of them as long as twelve inches, and all attempting to crawl away, but were killed.

HOW TO FIND OUT.

Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains the linen it is evidence of kidney trouble; too frequent desire to pass it, no pain in the back is also a convincing proof that the kidneys and bladder are out of order.

WHAT TO DO.

There is comfort in the knowledge so often expressed that Dr. Kilmer's Swamp-Root, the great kidney and bladder remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects impurity to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up at night. The mild and extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle of Swamp-Root, the great kidney remedy, and a book that tells all about it, both sent absolutely free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing be sure to mention that you read this generous offer in The Richmond Times-Dispatch. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

ACCIDENT TO PROPELLER PREVENTS LAUNCHING

(By Associated Press.) WIDOWATER, VA., Sept. 12.—A launching of the Langley aerodrome was prevented this afternoon by another accident to the propeller. While the motor was being tested by Prof. M. G. Moore, the propeller broke in two. Little damage was done to the machine and Prof. Moore escaped injury. The tests were at once discontinued. Most of the party left for Washington on the tug Key to spend Sunday. Next week the work will be resumed.

Marked Money in His Pocket.

(Special to The Times-Dispatch.) DANVILLE, VA., Sept. 12.—W. C. Bowles, a railway mail-clerk on the Washington and Greensboro division of the Southern Railway, was arrested last night charged with robbing the mails.
